## Happy Hour and Event Packages

We are a small restaurant, the size of your group would require us to close our upstairs dining area for your event. Please note a twenty percent gratuity will also be added. You can pay the room fee and order a la carte from the menu or do a package. With a package we will continue to replenish the food for the duration of the event until the last half hour, and then desserts will be presented. The bar service will be for a two hour time frame. Gluten free and vegetarian food and beverage options will be available for guests with dietary restrictions. For any questions please email our catering and event manager at [events@grilledcheesedc.com](mailto:events@grilledcheesedc.com)
